

Closing in fast - The Makgadikgadi Epic

The Makgadikgadi Epic is closing in fast which is set to be another successful skydiving boogie, with skydivers from around the world, are coming see Makgadikgadi Salt Pans, and precisely, in the Nata Bird Sanctuary.

Makgadikgadi is synonymous with awesome birding experiences and open natural landscapes that will be a marvel from any view, be it from the ground or above.

The event will take place at Sowa pan, which is the same venue as Race For Rhinos which we have visited in past years. We will see the first jump from 12 – 15 July 2019.

Aircraft that will be jump ships from the start of the event will be Atlas Angels as well as a Botswana Defence Force C130 and Casa 235 which will take bigger loads of skydivers.

The main objective of the event is to give travellers to Botswana, Is a lifetime unique experience to capture the majestic wildlife and a an uncultivated area.

With the Parachute Assosioan of Botswana, Gabarone Skydiving Club, Botswana Defence Force and Botswana Tourism on board and many others, You don't want to miss out on this event. Stay up to date with our Facebook page and website for more information closer to the event.
